1. Riding on bicycles, coming on trains, cars, **they come to your meetings now to hear Me speak; high diving My masses, My precious saviors** who now turn and give their lives for Me, to Me, and life exchange for My globalness. I love you.
2. Think it not strange who I bring and who I adorn now to help you in My quest of Me, bringing forth My Priesthood of All Believers.
3. Stark mad, stark raving mad some will think you, declare you, and scorn Me painfully. I love you. Ignore them, and sensitive to Me be, only Me. I love you.
4. You know what I am saying. You know what I have said. You know what I declared and you know now what's coming forth ever more clearer and clearer yet every day you spend My hours with Me. I love you.
5. I give you Me. Glory be and sadful glee. I love you.
6. And I radiate your presence in Me now, My presence in you. Color coming forth in personality of only Me, and only you, individuality, individual-ness, **your uniqueness** that I programmed, that I planned, **that I released for your time you spent with Me, and am now committed to.** I watch, I wait, and I will wait on you to fulfill your word as I fulfill My word. I love you. Covenant we are, **covenant one,** My one. I love you. Me, Dad, your Father, your Heavenly Father, your earthly Father, Me, One. Thank you.
7. Chocolates of Me. Radiation of My power. See how I am stretching you beyond limits thought. I love you.
8. Recognition of only Me. My trees, My buds, My flowers, My limestone of only Me, My stone, stone upon stone, laid upon My foundation. White towers of Me. I love you.
9. Land delayed, delayed no longer. Behold the land; My son, My son which comes forth in radiance, connecting, displaying, demonstrating. I love you. My son of man, My man, My men, My boys, My girls, ladies, I love you.
10. Foreign to no one you are. Foreign to no one you will be.
Foreign to no one you will treat as, for all I come and demonstrate Me. I love you.
11. Acreage of acreages now before Me, waiting for their intended purpose. Crying out to Me in connection and sinew now coming forth, domino'd, lying before Me, connecting, connected, connecting all. Watch Me.
12. Cry forth for My little ones and let My clarion call be heard for My youth and for My land and leadership them all in Me. I love you.
13. Fire of only Me. Only Me. Only Me. Me beholding Me in fullness, arrayed in raiment transparent, transcendent, My word made flesh. I love you.
14. See Me and never declare My glory not, but always so naturally, ever so naturally, flowing Me into My desire, your desire, our altogetherness being one.
